

**City of Thompson
Resolution
6/7/2010 - Regular Meeting**

**A resolution to endorse the Thompson's A.C.E - Climate Change
Action Plan**

Resolution Number: 2010 164 -

Moved by Councillor

Seconded by Councillor

WHEREAS the City of Thompson is a participant in the Province of Manitoba's Community Lead Emission Reduction (CLER) Program

AND WHEREAS Council wishes to reduce green house gas emissions as excessive green house gas emissions have been determined to accelerate climate change;

AND WHEREAS the City of Thompson is committed to bettering the environment as part of the global community;

NOW THEREFORE BE IT RESOLVED that the City of Thompson in consultation with stakeholders will endorse and strive to reduce greenhouse gasses as identified in "Thompson's A.C.E. (Actions to Cut Emissions), Climate Change Action Plan";

AND BE IT FURTHER RESOLVED THAT Administration be directed to set up additional community consultations to enhance and prioritize actions of the Climate Change Action Plan as soon as possible.
