Mark Steeves, Bryce Horning, and Kendra Hanson will attend the Norman Elite Atom program in Saskatoon in April.

Claude Hyckawy... Doug's and Carrol teams still struggling a little with management issues and Claude is still willing to help out if he can.

Clause asked if a cash donation could be made directly to a team from Wal-Mart. The answer was yes and that the money would be equally divided into the player accounts.

Bernie Nicholson...Reported that the Directors Cup was a success and everything turned out good.

Maxine Larway...Maxine reported that Tanner Hepp and Pam Mclead were chosen from

the Norman Region as top male and female peewee in the PeeWee skills competition and will be competing provincially in Winnipeg.

Angie Cummings...Novice tournament was good.

New Business:

Ad Hoc : An Ad Hoc Committee met last week to discuss the issues with the Bantam and Midget House League etc...

Murray was going to speak on this topic, but is not present.

Midget House league going okay with 14 or 15 kids per team and fairly close games.

There is now a proposal to bring the 12 Peewee AA second year players up to play in the Bantam House League and divide everyone into 3 equal teams. We will wait to see how this works out and how the schedule falls into place.

WIHF World Tourney : Maxine spoke about this tournament and said that the Norman Region is interested in sending a peewee and a bantam team. She inquired if permission from TMHA was required to attend. Darcy said that since this occurs after the minor hockey season is over that it is basically not something we are concerned with.

Novice Coach :A letter was received from 2 of the Referee's about a coach's behavior. Inappropriate language was used by the coach and directed at the Ref's.

Darcy suggested that a discipline committee be set up to speak with this coach and handle this situation. **ACTION Darcy**
